

MAKING STRIDES FOUNDATION HORSE SHOW SPONSORSHIPS

The Making Strides Foundation is thrilled to host its 2nd Annual Summer Showcase Charity Horse Show on June 28-30, 2024 at the Westmoreland Fairgrounds in Greensburg, Pennsylvania. This year, we are aiming to make the event even more exciting and impactful, with a lineup of competitive classes for all ages including Friday night barrel racing, vendors, food trucks and an Exhibitor Party with engaging entertainment livestreamed by WHJB FM.

Becoming a sponsor of this year's event not only allows us to continue our mission of providing outpatient therapy services, adaptive riding lessons, and equine assisted learning programming to children and young adults living with disabilities but it also provides your company with valuable exposure and recognition within our community. Sponsorships help support classes, awards, judges' fees & more! We offer various levels of sponsorship to businesses and individuals. The Making Strides Foundation is a 501c3 tax-exempt corporation and all donations are tax deductible.
